

ANNOUNCEMENT

THE INITIAL OFFERING OF THE TREASURY STOCK OF THE TONOPAH EAST MERGER MINES COMPANY

At 25c Per Share

I have been appointed fiscal agent for the Tonopah East Merger Mines Company, and am offering for sale the initial allotment of treasury stock. The stock can be bought either direct from me or through your regular broker.

The property is situated immediately east of and adjoins the Mizpah Extension on the east and north. It consists of about eighty acres. The following are the directors and officers of the company:

OFFICERS.

EUGENE HOWELL, President.
HUGH H. BROWN, Vice-President.
C. H. CONNETT, Secretary and Treasurer.

DIRECTORS.

W. J. HARRIS, Vice-President of the Tonopah Banking Corporation;
HUGH H. BROWN, Attorney, Tonopah, Nev.;
EUGENE HOWELL, Cashier, Tonopah Banking Corporation;
DR. J. R. CUNNINGHAM, Tonopah, Nev.;
CHRIS S. MCCARTHY, Mining Operator, Tonopah, Nev.

The integrity and ability of these gentlemen has long been established in Tonopah and emphatically assures an able and progressive management of the Company's affairs.

The great Belmont mine has produced approximately \$10,000,000; the Montana \$6,000,000, and the Tonopah Mining Company \$30,000,000. The present encouraging showing of both the Mizpah Extension and Halifax, with the well-known fact that the rich ledges of the Belmont are making in their direction, gives every promise of two additional big mines for this camp, and with their proximity to the ground of the Tonopah East Merger Mines Company, a tremendous speculative value is assured, presenting, I believe, an opportunity for a three-fold profit in a short time.

BEAUTIFUL HAIR AT SMALL COST

A Simple Remedy Beautifies the
Hair, Cures Dandruff, Stops
Falling Hair.

What a pity it is to see so many
people with thin, wispy hair, faded
or streaked with gray, and realize
that most of these people might
have soft, glossy, abundant hair of
beautiful color and lustre if they
would but use the proper treatment.
There is no necessity for gray hair
under sixty-five years of age, and
there is no excuse for anyone, young
or old, having thin, straggling hair,
either full of dandruff or heavy and
rank smelling with excessive oil.

You can bring back the natural
color of your hair in a few days
and forever rid yourself of any
dandruff and loose hairs, and make
your hair grow strong and beautiful
by using Wyeth's Sage and Sulphur
Hair Remedy. For genera-
tions common garden Sage has been
used for restoring and preserving
the color of the hair; and Sulphur
is recognized by scalp specialists as
being excellent for treatment of hair
and scalp troubles.

If you are troubled with dandruff
or itching scalp, or if your hair
is losing its color or coming out,
get a fifty-cent bottle of Wyeth's
Sage and Sulphur from your drug-
gist, and notice the improvement in
the appearance of your hair after
a few days' treatment.

HOW SENATOR BEN. R. TILLMAN REGAINED HEALTH

WASHINGTON, April 13.—One
year ago Senator Benjamin R. Till-
man went to his South Carolina
home a complete physical wreck. His
colleagues here never believed it
would be possible for the shadow
of the "Pitchfork Ben" that was,
to regain his health. But at the
beginning of the present session, the
picturesque South Carolinian ap-
peared once more in his seat in the
senate. Moreover, he looked well.
His friends were astonished at his
recovery, for everybody thought Ben
Tillman was near death.

"Physical culture and deep breath-
ing were taken together because it
is necessary to count the movements
of the muscles and nerves and also
to count them while holding the
breath. I find it better to take and
easier, the breathing exercise in a
horizontal position rather than when
standing," explained Tillman.

Here are some of the "stunts"
which the senator recommends for
those anxious to regain their for-
mer health:

"Before arising in the morning
take the head off the pillow and
stretch out, exhaling all the air out
of the lungs and then draw in
all the air possible.

"Draw up the knees with the
heels on the bed. Throw the
knees as far apart as they can be
carried, swinging them apart and
together vigorously so as to strain
the muscles of the thigh.

"Throw one foot and then the
other toward the headboard, vigor-
ously kicking it if you can. Kick
backward with both feet and throw
the feet apart as you kick as wide
as you can and as vigorously as
you can.

"Stretch your hands under and
behind the spine, and then throw
both feet toward the headboard, also
using the abdominal muscles to pull
up the lower extremities, five or
six times, or as much as can be done
with one breath. I have reduced my
waist three inches by doing this,
as it changes fat to muscle and

hardens the abdominal muscles.
"Grasp the iron cross at the
head of the cot. If you use a cot,
as I do, and throw both feet up,
pulling up the body and standing as
near on the head as possible. Throw
the feet up and down five
or six times. Fasten the feet un-
der the crosspiece of the cot, pull
the trunk up to a sitting posture,
and drop back. Repeat four or
five times. The first time I tried
this latter exercise," the senator in-
terjected, reminiscently, "I really
thought I had torn loose something,
but it was only the sudden strain
of the abdominal muscles, which
were very flabby and weak, and af-
terwards I found no pain at all.

"Keeping the knees straightened,
try to pinch each big toe with each
hand.

"Throw the head back as far as
possible, then stoop forward and
touch the floor if you can. This
movement is to loosen the muscles
of the spine like working a rusty
hinge.

"Swing light dumb-bells, one arm
going by the belly while the other
extends above the head as far as
possible, as one goes down elevate
the other. This will lubricate and
loosen the joints of the shoulders.

"Twist the spine by throwing one
hand to the rear and the other to
the front. This is to loosen the
spinal column and make the verte-
brae twist each on the other.

"I practice all this before break-
fast and at night before going to
bed and I feel that it makes mark-
ed differences in my strength and
otherwise. I have said that I had
anticipated my health would come
back to me through this exercise
and diet, if at all."

FREE SUGAR BILL BASED ON IGNORANCE

WASHINGTON, April 13.—Rep-
resentative Dismond of Louisiana
testified before the senate finance
committee today that the free sugar
bill was based on ignorance.

He contended that the United
States would lose \$150,000,000 if
the bill were enacted. He added
that he knew the bill would not
become a law and denounced the
agitation for it as "speculation."
